

SAN FRANCISCO BAY AREA WATER EMERGENCY TRANSPORTATION AUTHORITY

RFP Document #17-028
Technical and Construction Management Services for WETA Terminal Projects

ADDENDUM NO. 1

December 18, 2017

1. QUESTIONS AND ANSWERS

Q1: *For the Vallejo Ferry Terminal Maintenance Dredge component, the passenger float will be removed/repared, and replaced with a temporary float. Is it anticipated that this work will require any pile removal or driving? If so, are the anticipated number and size of the piles known.*

A1: ***Yes up six (6) pilings, thirty six inches (36") in diameter will be required for mooring the temporary float.***

Q2: *The South San Francisco Ferry Terminal Dredge component requires coordination with the San Mateo County Harbor District. Can WETA clarify the relationship with San Mateo County Harbor District for this site?*

A2: ***WETA is a Tenant of the San Mateo Harbor District; WETA is required to procure necessary dredging and building permits.***

ACKNOWLEDGMENT BY BIDDER

Each bidder is required to acknowledge receipt of all Addenda, including this Addendum No. 1 as specified in the IFB Instructions to Offerers.
